

Announcement of Q&A for presentations at the spring meeting of JSPM, 2021

The spring meeting of JSPM, 2021 will be held on the following web site.

(<https://confit.atlas.jp/jspm2021s>)

Q&A for presentations will be available from June 1st (Tue) 10:00 to 3rd (Thu) 24:00.

There are 3 methods of Q&A.

- 1) "Comment" function (Q&As are open to the public. All participants watch the Q&As)
- 2) Q&As for the presentation by live distribution will be held immediately after it.
- 3) Two special issues will have Q&A set time for each special after the live distribution as follows.

* Special Issue: Research Advances in Sintering Technology and Sintering Mechanism of Powders

Q&A session time: June 2nd (Wed) 15:15-16:15

* Special Issue: Control and Manipulation of Microstructure in Magnetic Materials for Functional Devices

Q&A session time: June 3rd (Thu) 15:10-16:10

I. At first

① Those who have already registered to the meeting are able to do Q&A.

Your registration fee can only be paid by credit card.

② Once you have completed the payment of registration fee, the secretariat will send you an e-mail with the subject "Your Login Information". To log in to the program public site, you need the login ID and password provided in the e-mail.

II. Setting the name to "Share"

Please set the name to "Share" in the sharing configuration.

If you did not set "Sharing" on the first screen, change "Sharing Configuration" from the account settings in the upper right corner of the header.

Sharing configuration

Post a comment

You can leave comments with your name and profile picture to a presentation and can communicate with other users.

If you set as "Do not share" in this Sharing configuration, you cannot leave any comment to a presentation but you can only view comments of other users.

* You can change this setting anytime.

Share Do not share

Save
